Addendum No. 2

To Contract Documents for the Repairing and Spot Coating of Reservoir # 2  
City of Carlsbad, New Mexico

Addendum # 2 to the Repairing and Spot Coating of Reservoir # 2 Contract Documents are listed as follows:

1. Two questions were received that needed clarification. The questions and the answers to the questions are as listed below:

Questions:

A. The following work items are included in the bid documents, but there is not Bid item to place the work being requested. Where do we include the costs for this work?

- Initial clean out of the tank's silt and remaining water.
- Anniversary inspection and touch up – Contractor is to wash out
- Initial Abrasive blast cleaning and chipping for evaluation of Concrete (Section 13200, 3.1-B).
- Disinfection of the tank's interior

B. How many square feet are we to abrasive blast? 100% of the tank surface?

Answers:

A. The items you noted are all to be included in your base bid. Please adjust your bid item prices accordingly to include the applicable costs for this work.

B. You are only to abrasive blast the distressed areas of the tank's interior.

2. The **Bid Opening Date shall remain as Monday, November 6, 2017 at 1:30 pm.**

3. All provisions of the contract documents not in conflict with Addendum No. 2 shall remain in full force. Receipt of this Addendum # 2 shall be acknowledged on the Bid Form.
