Addendum Notice – Sound System for WGPAC

The City of Carlsbad has been asked the following questions regarding Bid 2017-27 and provides the following response in blue text:

Regarding delivery of these items; this order would arrive via truck freight and have a gross weight of approximately 5000 lbs across 7 or 8 pallets. Is there a loading dock available? **The facility does not have a loading dock, but the entry to the facility is ground level and the doors are wide enough to receive a pallet. However, a lift gate would be necessary for deliveries.**

If yes may we confirm the exact street address for trucking company to issue a freight quote? **The ship to address is 4013 National Parks Highway, Carlsbad, NM 88220.**
