Addendum Notice – Pre-Audit Preparation Services

The City of Carlsbad has been asked the following question(s) regarding RFP 2017-03 and offers the following response in blue text:

Question 1: Can you please provide me with the prior year audit fees along with the prior year audit report.

Just so we are clear, our RFP is not to perform the audit, but to assist us in preparing for the upcoming audit. So, I'm not sure what last years audit fees has to do with this RFP?

However, I can let you know that last years audit fees were \$48,297.20 and the audit is posted on our City website at the following link:
