

City of Carlsbad, New Mexico  
RFP # 2017-05  
Addendum 2

4/11/17

### **Addendum Notice – Supplemental Insurance Coverages**

The City of Carlsbad has received the following questions regarding RFP 2017-05 and offers the following response in blue text:

Is the intent of the proposal to award all 4 product lines to one bidder? **The City prefers to award all four product lines to one bidder. This makes it easier for us to coordinate with our employees to sign up for products and services, rather than having to deal with multiple providers selling different product lines.**

Is the City open to proposals which would include products other than those listed such as cancer or critical illness, or voluntary life insurance? **The City is only soliciting proposals for the four product lines listed in the RFP. However, you may mention in the proposal that you have additional products available and what those products are. However, the additional product lines will not be considered when evaluating proposals for a possible award.**
