Dear Mayor Janway:

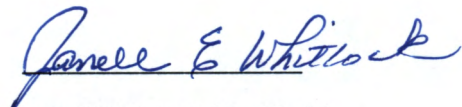

Your Essential Air Service selection advisory committee met on Feb. 15 to review the EAS proposals submitted by Boutique Air and Advanced Air. Members of our committee have also participated in meetings with representatives of both companies over the past few weeks.

After reviewing the proposals extensively, our committee recommends that you and the Carlsbad City Council recommend **Boutique Air's Option One, with the King Air 350**, in your formal correspondence with the US Department of Transportation.

We appreciate the opportunity to participate in this discussion about Carlsbad air service.
