Mr. Patterson said the purpose of this request is to allow vending of shaved ice, food and related drinks on City-owned property in the area near the Carlsbad Waterpark and Ray Anaya San Jose Plaza. He said the Planning Department recommends approval of this request with the following conditions: The applicant shall not disturb the peace with a loud speaker, megaphone, bell, music or other disruptive noise. The applicant shall provide hours of operation. He explained approval of this request grants permission to the applicant to vend shaved ice and related food and drinks (non-alcoholic) on City-owned property in the area near the Carlsbad Waterpark and Ray Anaya San Jose Plaza from Wednesday, February 23, 2022, until Saturday, December 31, 2022.

Mrs. Madrid-Boyea explained this property is a single family residence and a large lot. She said the listed owners through the Eddy County Assessor's Office are Gerardo and Nelda Garcia of the same address. She said the property has not been maintained. She said Code Enforcement has been to the property and there is junk, non-running vehicles, vehicle parts, scrap wood, weeds and general debris scattered throughout the property. She said a letter was mailed and signed for in 2021, although the owner denies receiving the letter. She said the property has been inspected multiple times by Code Enforcement and the Fire Marshal. She said in the most recent inspections the property is still out of compliance. She said the Fire Marshal found the property presents an extreme fire hazard.

Mr. Jesus Garcia said he is not happy with his brother's property either, he doesn't see how this resolution is constitutional in any manner. He said his brother has lived on

the property for 33 years and this resolution will uproot his life. He said God brought him to the meeting to make this clear. He said he believes in most of the laws. He said there is a law in these books (he brought books with him) that states our representatives should take care that they are not breaking the law, to enforce the law. Mr. Jesus Garcia asked if Council would grant Mr. Gerardo Garcia 60 days to clean his property as it has taken 33 years to get in this shape. He said he would be willing to help his brother. **Mayor Janway** explained the resolution has already been approved and the resolution states 30 days. **Mr. Jesus Garcia** said he will file a writ of mandate to a superior court for a stay on this decision. **Mayor Janway** advised Mr. Garcia to talk to Mr. Patterson about bringing this item to the next council meeting.

The Director of the Alcoholic Beverage Control Division (ABC) has reviewed the referenced Application and granted **Preliminary Approval.** It is being forwarded to you for Local Option District approval or disapproval of the Liquor License Application.

Notice of the Public Hearing required by the Liquor Control Act **shall be given by the governing body by publishing a notice** of the date, time, and place of the hearing **twice during the 30 days prior to the hearing** in a newspaper of general circulation within the territorial limits of the governing body. **The first notice must be published at least thirty (30) days before the hearing. Both publications must occur before a hearing can be conducted.** The notice shall include:

(A) Name and address of the Applicant/Licensee;
(B) The action proposed to be taken;
(C) The location of the licensed premises.

In addition, if the Local Option District has a website, **the Notice shall also be published on the website.**

While the law states that "within forty-five **(45)** days after receipt of a Notice from the Alcoholic Beverage Control, the governing body shall hold a Public Hearing in the question of whether the department should approve the proposed issuance or transfer", we recognize the potential for conflict between the requirement for publication of 30 day notice and the 45 day hearing requirement.

With that in mind, when a local governing body receives a liquor license application from ABC, that governing body has a couple of options:

1) Hold a hearing on the license application within the statutory time frame of forty-five (45) days, as required by the Liquor Control Act, and comply with all other statutory and regulatory procedures and notify ABC of your decision within thirty (30) days of the hearing;
2) Request from ABC an extension of time, past the forty-five (45) days, designating how much additional time will be needed to conduct the hearing in compliance with all statutory and

regulatory procedures. After the extension is granted and the hearing is held, notify ABC of your decision within thirty (30) days of the hearing;

ABC has no preference in the option you choose.

The governing body is required to send notice by certified mail to the Applicant of the date, time, and place of the Public Hearing. The governing body may designate a Hearing Officer to conduct the hearing. **A record shall be made** of the hearing.

The Applicant is seeking a Restaurant A Liquor License.

Within thirty (30) days after the Public Hearing, the governing body shall notify ABC of their decision to approve or disapprove the issuance or transfer of the license by signing the enclosed original Page 1 of the Application. The original Page 1 of the Application must be returned together with the notices of publication. **If the Governing Body fails to either approve or disapprove the issuance or transfer of the license within thirty days after the Public Hearing, the Director may issue the license.**

If the Governing Body disapproves the issuance or transfer of the license, it shall notify ABC within thirty (30) days setting forth the reasons for the disapproval. A copy of the Minutes of the Public Hearing shall be submitted to ABC with the Notice of Disapproval (*Page 1 of the Application, noting disapproval*).

RE: Request for water service outside City limits

Monarchy Country RV Park, LLC has purchased a property/RV Park commonly known as 2007 Connie Road. This property is located outside City limits. Monarchy Country RV Park, LLC has submitted an application for water service outside City limits for this property, the application is attached. In January 2021 the previous owner, George Blakely appeared before the Board and presented a request for water to serve this property. The Board approved the request with the stipulation that annexation into the City would be pursued if and when possible. The property at 2007 Connie Road does not share a boundary with the City boundary. There is another property between 2007 Connie Road and the City boundary. It is our understanding that efforts to convince the neighboring property owner to annex which would allow 2007 Connie Road to annex, have been unsuccessful.

4. Consider Approval to remove from table request from George Blakely for Outside City Limits Water Service for property located at 2007 Connie Road

The motion was made by F. Beard and seconded by D. Miehls to remove from table the request for Outside City Limits Water Service. The vote was as follows, Yes: C. Stephens, D. Miehls, F. Beard, J. Bowen No: None Absent: G. Perkowski. The motion passed.

5. Consider Approval of request from George Blakely for Outside City Limits Water Service for property located at 2007 Connie Road

C. Stephens asked G. Blakely to approach the board. G. Blakely told the board he has gone to the Planning and Zoning Commission to request annexation but the board tabled the item. He is coming before this board to see what options he has. He stated his neighbors do not want to annex into the city.

E. Rodriguez asked if he was the majority landowner of that section. C. Stephens asked if that made a difference. E. Rodriguez stated yes, being a majority landowner, he could force annexation if he choose to. J. Patterson gave a brief description of the procedures needed to take too force annexation.

G. Blakely stated the neighbor that is against annexation is the same neighbor he has been receiving water from, and that neighbor has informed him that as of January 31 he would no longer be allowed to receive water.

J. Bowen asked if he knew what the neighbor's objection was to annex into the city. G. Blakely stated they just were not interested in annexing.

J. Patterson stated Mr. Blakely needs his neighbor to the north to join in order to have property contiguous to the city boundary. C. Stephens asked if there was more than one property that would make him contiguous to city property. J. Patterson responded there are two property owners if he could get one to join than they could be contiguous to city boundary.

F. Beard asked if his neighbor that was using water had trailers on his property. G. Blakely responded yes, it is an unusual situation. His neighbor has two parcels; one parcel is in the city the other parcel is in the county.

C. Stephens said one of the problems is he lives outside the city limits and there is a city policy not to provide water outside the city limits. Although, there are some instances that the city does provide water outside the city limits. G. Blakely said he is willing to annex, right now, he is under a time crunch. He has done everything the board has recommended he has exhausted all of his options.

D. Miehls stated so legally Mr. Blakely could annex and the city would supply him water. J. Lowe clarified he has the right to start the process, if he is the majority owner.

DRAFT

F. Beard asked why the city could not supply Mr. Blakely water if his neighbor who is outside the city limits is getting water. R. Myers stated they could, the city has done it in the past, but that is a decision for the board. J. Lowe asked if this was the same situation as what council previously just approved. R. Myers stated they are different because council approved just a resident, this a business. C. Stephens asked what the water rate was. R. Myers stated rates are two ½ times the city limits. C. Stephens stated so it would be beneficial to annex into the city. He asked what the zoning was. J. Patterson said the applicant is proposing to change to a C2 zoning.

The motion was made by F. Beard to grant Mr. Blakely to have outside city limits water, contingent upon the process started by him to annex his property and the neighbors into the city limits and seconded by D. Miehls. The vote was as follows, Yes: C. Stephens, D. Miehls, F. Beard, J. Bowen No: None Absent: G. Perkowski. The motion passed.

6. Update on Revision to Wellhead Protection Ordinance Draft by Maria O'Brien and Dave Romero

M. O'Brien stated the Wellhead Protection Ordinance has been in effect for quite some time. The Ordinance is to try to protect the City's future water supply. The updated Ordinance will include the developing Tatum, Sheep's draw, and Double Eagle.

D. Romero gave a brief highlight of the old Ordinance and the New Ordinance. He gave an update on the analysis of water pumped over 20 years and over 100 years.

C. Stephens said the changes are they expanded the protection area, updated the language and included Tatum. D. Romero stated yes, that is correct.

M. O'Brien stated yes that is correct. This is not only based on updated information but also to correlate and to stay consistent with the wellfield protection with the city's water planning. C. Stephens asked if this was the maximum amount of protection, the city could have to protect the wellfields. M. O'Brien responded yes. She reminded the board the city cannot prevent the oil and gas drilling but they could regulate the activities to protect its critical water supply. She said this is an excellent approach to protect the water supply.

E. Rodriguez asked for and explanation on the process or system of analysis is that actually depths or an extrapolation of numbers. D. Romero stated back in 2000 the analysis was based on a model that was supported by the Environmental Protection Agency; it was a simple model and did not have the actual structure of the Aquifer.

D. Miehls asked so the 2020 analysis is more defensible. D. Romero stated yes.

7. Consider Approval to recommend to City Council Updated Wellhead Protection Ordinance

The motion was made by J. Bowen and seconded by D. Miehls to recommend to City Council approval of the Updated Wellhead Protection Ordinance. The vote was as follows, Yes: C. Stephens, D. Miehls, F. Beard, J. Bowen No: None Absent: G. Perkowski. The motion passed.

Such non-City water services approved, if any, shall be on the basis of written contract subject but not necessarily limited to the terms and conditions specified hereinafter.

Non-City Consumers

1. The following charges shall apply to all non-City consumers:
   a. For main service line, a one-time charge of the higher of either
      i. $8.00 per abutting foot adjusted for inflation at a rate of 3% per year beginning January 1, 1997; the City, at is sole discretion, may vary this per abutting foot charge for irregularly shaped or non-abutting lots; or
      ii. The actual cost of installation.
   b. The actual cost of time, materials and equipment for installation of water tap and meter with a minimum charge of $150.00
   c. A water deposit in the amount of $180.00
   d. Minimum and excess water usage charges shall be four times the rates of City consumers.
2. To offset the consumptive impact to the City's water supply, each non-City consumer, prior to receiving City water, shall:
   a. Irrevocably deed and transfer to the City a minimum of three acre feet of Capitan water rights for each acre or fraction of an acre to be served by City water; or
   b. Pay a one-time water rights acquisition fee of $2,500 per acre or fraction of an acre to be served by City water if the City, at any time prior to the final transfer of water rights described in subparagraph 2(a) above, determines at its sole discretion that such transfer is not in its best interest; or
   c. Pay a one-time water rights acquisition fee of $2,500 per acre or fraction of an acre to be served by City water if the City determines at its sole discretion that in lieu of water rights, such fee is in its best interest.
3. The maximum meter size that may be installed for a non-City consumer's use is a one inch meter, except that the City Administrator may approve installation of a larger meter if necessary to ensure adequate service.
4. Should the City, at its sole discretion, determine at any time that rationing of the municipal water supply is prudent or necessary, the City may without prior notice terminate water service to non-City consumers or impose other conservation measures.
5. City water provided to non-City consumers shall be utilized only for domestic purposes as herein defined and only in and upon the premises described in the written water service contract. Delivery, sale or transference of City water by one non-City consumer to any other person or premises shall be cause for immediate termination of City water service without prior notice.

6. City water shall not be provided to any non-City consumer:
   a. whose property is served by or connected to any other water cooperative or water company or
   b. whose property is capable of being served by or connected to any other water cooperative or water company within six months of the date of written application to the City.
7. The City may agree to amortize the costs incurred pursuant to paragraphs 1(a), 1(b) and 2(b) above at an interest rate of 10% A.P.R. for a definite period not to exceed 5 years.
8. Failure to pay by the 10th of the month following billing shall result in termination of water service without prior notice until all outstanding balances are paid in full.
9. Non-City consumers will be responsible for the full cost of all service lines on their side of the water meter including the installation of a backflow prevention mechanism which meets the approval of the City Water Department. Water service will not be furnished under any circumstances until such backflow prevention mechanism is installed and approved. Further, water service will not be furnished until the City determines to its satisfaction that all previous connections to wells or other water sources have been disconnected and isolated from the system that will deliver City water from the water meter to the non-City consumer's residence or business.
10. Non-City consumers whose properties are annexed into the City limits shall upon the first day of the month following annexation be entitled to the minimum and excess water usage charges established by the City for City consumers. Further, a non-City consumer whose property is annexed shall be entitled to a rebate of that amount of their water deposit paid in excess of the water deposit imposed at that time upon City consumers. Such rebates shall not be made in cash but rather shall be applied as credit against future billings. Under no circumstances however, shall a non-City consumer whose property is annexed into the City, be eligible for a rebate or recapture of any portion of those costs incurred for installation of the water service or water rights acquisition fee.
11. Unless and until paid in full, all costs incurred pursuant to paragraphs 1(a), 1(b) and 2(b) shall be secured by a lien against the property with foreclosure as authorized by law in the event of non-payment.
12. Contracts entered into between the City and non-City consumers shall not be transferrable. Subsequent non-City consumers at the same location shall not be eligible for water service until a new contract has been properly executed.
13. If, at its sole discretion, the City deems it to be in its best interest, the City may refuse to provide water service to non-City water applicants or otherwise limit such service.
14. Non-City consumers whose properties are capable of being served by the City sewer system shall within 6 months after the City provides water be connected to the sewer. Failure to connect to the sewer as noted above will result in termination of water service without prior notice until such connection is made. Sewer charges for non-City consumers shall be in accordance with paragraph 1 (d) above.
15. All monies received by the City from non-City consumers as water rights acquisition fees pursuant to paragraphs 2(b) and 2(c) above shall be placed in the Water System Improvement Fund for water rights acquisition.
16. Should any portion of this Agreement be deemed to be void or unenforceable, the remainder of the Agreement will continue in full force and effect.

17. Notwithstanding any provision herein to the contrary, the Governing Body may, with regard to service of water outside the City limits to water cooperatives, establish by contract such terms and conditions, including the rate charged for water usage, as it deems appropriate, provided however, that in no case shall the water rates charged to such cooperatives be less than that charged to water users within the City limits.

110.4 Abatement. The owner, operator or occupant of a building or premises deemed unsafe by the fire code official shall abate or cause to be abated or corrected such unsafe conditions by repair, rehabilitation, demolition, or other approved corrective action.

RE: Dangerous Premises at the property known as 1302 & 1304 W. Church St., Carlsbad, NM

Dear Mr. Braddock:

According to the records of the Eddy County Assessor's Office, you are the owner or have an interest in the property commonly known as 1302 & 1304 W. Church St., Carlsbad, NM. The property has been inspected by the City Code Enforcement Office and the Fire Marshal. They have found the property to be in violation of a number of health, safety, and building laws.

Because of the condition of the property, a Resolution has been prepared requiring the cleaning of the property. The Carlsbad City Council will consider passing that Resolution at its meeting on **Tuesday, March 8, 2022 at 6:00 PM**. That meeting will be held in the Council Chambers in the Janell Whitlock Municipal Complex at 114 S. Halagueno St., Carlsbad, NM. You are encouraged to come to the meeting and speak with Council about the property. A draft of the Resolution is included with this letter.

If the Council adopts the Resolution, you must begin removing the ruins, rubbish, wreckage, debris, and weeds from the property within ten days and complete the work within thirty days. The property must be left in a clean, level, and safe condition, suitable for further occupancy or construction and with all excavations filled. If the work is not done, the City may do the work itself or hire someone to do the work. All reasonable costs to the City for such work will become a lien against the property. The City may then foreclose the lien as allowed by law.

If you have any questions regarding this matter, please contact me at (575) 887-1191, or at the Municipal Building, 101 N. Halagueno, Carlsbad, NM 88220.

Sincerely,

AGENDA BRIEFING MEMORANDUM

Council Meeting Date: March 8, 2022

DEPARTMENT: Legal	**BY:** Denise Madrid Boyea DB	**DATE**: March 1, 2022

SUBJECT:

Proposed Resolution requiring the removal of the weed and debris at 1301 N. 8th St.

BACKGROUND, ANALYSIS AND IMPACT: (Safety and Welfare/Financial/Personnel/Infrastructure/etc.)

The property commonly known as 1301 N. 8th St. is in a residential neighborhood near the intersection of 8th and Legion St. This property is a residential property. The Eddy County Assessor's Office lists Amy Jaure as owning or having an interest in the property. The Assessor's records list Amy Jaure's address as 1307 N. 8th St., Carlsbad, NM 88220.

The property appears to have a residence that is vacant and un-occupied and it has not been maintained. Code enforcement has been to the property. This property has been a problem for some time. There is dead grass and weeds throughout the parcel as well as a dead tree in the back of the house. There is trash and debris on the property. Code enforcement made contact with a neighbor who stated they are related to the owner and would pass along the code violations to the owner.

The property has been inspected by the City Code Enforcement Officer and the Fire Marshal. They found that the property remains out of compliance with applicable codes. The weeds remain on the property. The Fire Marshal found that the property presents an extreme fire hazard for responding firefighters and emergency personnel.

A resolution has been prepared which, if adopted, would require the property owner to remove all weed and debris from the property within thirty days of the service of the resolution.

On February 28, 2022, a certified letter was sent to Amy Jaure at the address on the records of the County Assessor at 1307 N. Eighth St., Carlsbad, NM 88220, but no response has occurred.

DEPARTMENT RECOMMENDATION:

GENERAL NOTES REGARDING COMPLIANCE

This Notice of Violation was based on a recent inspection of your property by Carlsbad Code Enforcement Personnel. A re-inspection of your property will be made after the date specified for compliance. A decision will be made at that time regarding the need for further action.

If you are willing to complete the required actions, but are unable to do so in a reasonable manner by the compliance date, the date for compliance may be extended for certain violations with a demonstration of a realistic need and supported with appropriate justification. This extension must be requested prior to the original compliance date. The date, however, for mitigation of violations that involve a serious and/or immediate threat to the health, safety, and/or welfare of the occupants of the property or general population may not be extended, but must be resolved without delay.

Code Enforcement Personnel will evaluate each request, as sole arbitrator, and will offer an Agreement to Abate, if appropriate. An Agreement to Abate is a written agreement between the individual responsible for mitigation, most generally the owner of the property or agent, and the Code Enforcement Personnel by which the applicant is afforded additional time to achieve compliance without threat of sanction. If awarded, the Agreement will extend the date for compliance the minimum amount of time required for compliance, and is generally not renewable.

The Code Enforcement Division is located in the Municipal Building Annex at 114 S. Halagueno Street.
Code Enforcement Personnel may also be contacted by phone at (575) 885-1185 for additional information or guidance regarding resolution of this matter.

RE: Dangerous Premises at the property known as 406 Pompa St., Carlsbad, NM

Dear Mr. Jaquez:

According to the records of the Eddy County Assessor's Office, you are the owner or have an interest in the property commonly known as 406 Pompa St., Carlsbad, NM. The property has been inspected by the City Code Enforcement Office and the Fire Marshal. They have found the property to be in violation of a number of health, safety, and building laws.

Because of the condition of the property, a Resolution has been prepared requiring the cleaning of the property. The Carlsbad City Council will consider passing that Resolution at its meeting on **Tuesday, March 8, 2022 at 6:00 PM**. That meeting will be held in the Council Chambers in the Janell Whitlock Municipal Complex at 114 S. Halagueno St., Carlsbad, NM. You are encouraged to come to the meeting and speak with Council about the property. A draft of the Resolution is included with this letter.

If the Council adopts the Resolution, you must begin removing the ruins, rubbish, wreckage, debris, and weeds from the property within ten days and complete the work within thirty days. The property must be left in a clean, level, and safe condition, suitable for further occupancy or construction and with all excavations filled. If the work is not done, the City may do the work itself or hire someone to do the work. All reasonable costs to the City for such work will become a lien against the property. The City may then foreclose the lien as allowed by law.

If you have any questions regarding this matter, please contact me at (575) 887-1191, or at the Municipal Building, 101 N. Halagueno, Carlsbad, NM 88220.

Sincerely,

Denise Madrid Boyea
