Mr. Salinas, along with Cpl. Josh Calder went to both Senior Center to speak to the attendees about the current phone scams going around. There was a good turnout. Several of the senior citizens had already received phone calls that were scams. North Mesa had a good turnout, but not as good as the San Jose Senior Center. All the senior citizens were very appreciative of the information at both locations.

Robo calls are very well used lately and a law was recently passed to reduce these calls. Seniors were advised not to follow the instructions given to send visa cards in these calls. Mr. Salinas recommended someone come up with something to present to the schools .

Bob Scholl hasn't had anyone on the radio show lately. He is encouraging anyone who would like to be on the show to contact him. Everyone is welcome.

Mr. Scholl has a complaint about people parking on sidewalks. He said sidewalks are for pedestrians and parking on the sidewalks is against city code. He also mentioned if people didn't park on the sidewalks, it would be hard for people to pass through the roadways. Mr. Scholl also said he has gotten complaints about people parking on the wrong side of the road. Rick suggested citizens be told to call 311 to report any obstruction complaints.

The board suggested possibly creating another CSO position to strictly go out and write citations for incorrectly parked vehicles.

Rick announced Dee Williams resigned her position on the board and asked if anyone knows anyone who would like to join the group to let him know.
