## COMMUNITY

### Brews & Books | Adults Only

Join us once a month at Milton's Brewing (213 Mermod Street in Carlsbad) for a fun group book discussion about the book of the month.

### Dungeons & Dragons

Answer the call for adventure with your favorite role-playing game. We will be hosting tables that people can use to play Dungeons and Dragons or other table top style games. Any experience level is welcome.

### ASL Signing time

You are invited to join us for American Sign Language! Meet and learn from members of the deaf, hard of hearing, and alternative speech communities in Carlsbad.

### Stitchers Anonymous

Get together with other stitchers - crochet, knit, needlepoint, embroidery, cross-stitch, and more. Bring your own supplies and join the fun.

### Seed & Sprout Swap

Seeds, sprouts, plants, cuttings, and more are welcome in this swap. Come see what fellow growers have to offer, and find new plants to take home and try

### Touch - A - Truck

From bigrigs to emergency response vehicles, Touch-A-Truck is a family-friendly event designed to allow children to explore, climb, and touch vehicles of all shapes and sizes. There will be fun for everyone in the family-meet the people who build, protect and serve Eddy County.

## KIDS

### Baby Time | Ages 0 - 15 mo.

This class focuses on the interaction between baby and care-giver. Adults will learn a variety of bounces, songs, rhymes, finger plays, movement, and sign language to use at home to develop a baby's early literacy skills.

### Toddler Time | Ages 16 mo. - 35 mo.

This class introduces toddlers to the love of books, songs, rhymes, finger plays, movement, and sign language. Toddlers must come with an adult who takes care of them.

### Preschool Storytime | Ages 3 - 5 years

This storytime session and facilitated play encourages the development of young pre-reading skills through stories, songs, rhymes, and narrative.

### STEM CLUB | Grades 1 - 5

This club is designed to stimulate young minds and open the world of science, technology, engineering and mathematics. Each month we feature a different STEM project kit that participating students will get to keep.

### LEGO Time | All Ages Welcome

Everyone is invited to attend this exciting come-and-go program. All LEGO bricks and supplies will be provided for self-directed play
