II. **Emergency Procurement Request**

DEFINITION OF EMERGENCY CONDITIONS:

An emergency condition is a situation which creates a threat to public health, welfare, safety or property such as may arise by reason of floods, epidemics, riots, equipment failures or similar events. The existence of the emergency condition creates an immediate and serious need for services, construction or items of tangible personal property that cannot be met through normal procurement methods and the lack of which would seriously threaten:

- A. the functioning of government;
- B. the preservation or protection of property; or
- C. the health or safety of any person.

Please provide a detailed explanation for why the purchase required meets the above definition of an Emergency Condition.

N/A

** The Emergency Determination will only be in effect as long as needed to alleviate the emergency conditions. Once the emergency condition has passed, regular procurement methods and procedures must be followed.

Sole Source Determination

III. Provide a detailed, sufficient explanation of the reasons, qualifications, proprietary rights or unique capabilities of the prospective contractor that makes the prospective contractor *the one source* capable of providing the required professional service, service, construction or item(s) of tangible personal property. (Please do not state the source is the “best” source or the “least costly” source. Those factors do not justify a “sole source.”)

This contractor is the sole manufacturer and supplier of Safe Haven Baby Boxes. There are no other companies or vendors that offer this product. It cannot be purchased from any other contractor.

IV. Provide a detailed, sufficient explanation of how the professional service, service, construction or item(s) of tangible personal property is/are *unique and how this uniqueness is substantially related to the intended purpose of the contract*.

Safe Haven Baby Boxes Inc. is the sole contractor able to provide continuous monitoring service to the installed Baby Box. The monitoring system is proprietary to this contractor. This continuous monitoring service is required for the Baby Box to be safely used for its intended purpose.

- V. Explain why other similar professional services, services, construction or item(s) of tangible personal property *cannot* meet the intended purpose of the contract.

There are currently no other products similar to this.

- VI. Provide a narrative of the due diligence used in determining the basis for the procurement, including a review of available sources and include Include a list of businesses contacted (*do not state that no other businesses were contacted*), date of contact, method of contact (telephone, mail, e-mail, other), and documentation demonstrating an explanation of why those businesses could not or would not, under any circumstances, provide the goods or services; or an explanation of why the department has determined that no businesses other than the prospective contractor can provide the goods or services requested.

Online searches were conducted, other municipalities that have installed a Baby Box were contacted (Española and Hobbs) to determine if they were able to find any other similar product, and State Offices were contacted during the grant award process, which provided this companies contact information. No other companies or contractors were found during this process that could fulfill our needs and requirements.
