II. **Emergency Procurement Request**

DEFINITION OF EMERGENCY CONDITIONS:

An emergency condition is a situation which creates a threat to public health, welfare, safety or property such as may arise by reason of floods, epidemics, riots, equipment failures or similar events. The existence of the emergency condition creates an immediate and serious need for services, construction or items of tangible personal property that cannot be met through normal procurement methods and the lack of which would seriously threaten:

- A. the functioning of government;
- B. the preservation or protection of property; or
- C. the health or safety of any person.

Please provide a detailed explanation for why the purchase required meets the above definition of an Emergency Condition.

N/A

**** The Emergency Determination will only be in effect as long as needed to alleviate the emergency conditions. Once the emergency condition has passed, regular procurement methods and procedures must be followed.**
